## Release

I grant the Milestone Makos Swim Team Association permission to place pictures of my child on **PASSWORD PROTECTED** pages of the swim team website. Examples: the official group Swim Team picture for 2009, which could include my child's picture, and pictures taken during practices, meets and swim team activities. These pictures will **NEVER** be associated with the child's name or any other personal information. In addition, I grant the Milestone Makos Swim Team Association permission to post my child's name, age (date of birth), gender, and swimming times / stroke on **PASSWORD PROTECTED** pages on the swim team website. In addition, I grant the Milestone Makos Swim Team Association permission to provide the official group Swim Team picture for 2009, which may include the image of my child, to sponsors of the Milestone Makos Swim Team.

## Volunteer Commitment (Subject to Change based on Team Size, etc)

Each Family is expected to have one (1) adult volunteer at three (3) Home meets and one (1) Away meet at a minimum (total of 4 meets minimum for 2009 season). Most volunteer roles are divided into two (2) sessions for each meet; volunteering at a meet would mean working one (1) session (1/2 meet). Page 1 of this registration form must be initialed by the volunteer coordinator indicating the family has signed up to volunteer before it can be accepted.

## Refund Policy

Refunds will only be made for swimmers who are new to the Milestone Makos this year ("New Swimmers"). New Swimmers will be entitled to 1) a full refund of the New Swimmer Administration Fee and 2) a refund of the Swimmer Registration Fee less i) \$5.00 if requested prior to the first day of practice or ii) \$20 if requested the first week of practice. No Swimmer Registration Fees will be refunded after the first week of practice and no refunds will be made for swim suit charges.

## Phone Tree Information

The Milestone Makos Swim Team Association will be using the OneCallNow notification service again this year. This messaging system allows the coach to record a message for the team. The message is then relayed by phone to all the swimmers (parents) instantly. Everyone hears the same information at the same time. If a swim practice is cancelled or a meet is delayed, the coach can easily inform the team.

**Please list all phone number for your entire family that you want to be notified of swim team related messages.**

Note: all phone numbers provided will be called at the same time. **DO NOT** provide phone number that you do not want to be notified of swim team information. Consider including your cell phone number so that you can be reached in transit or during a meet (in the case of inclement weather).
